Long-term investment grade, Prime-1 short-term outlook

Pittsburgh, PA: Ignition Stage

The Pittsburgh, PA market is currently in the 'Ignition' stage of the performance cycle. In this stage, hotels typically perform adequately for operators to enjoy positive returns, with confidence the economy will remain fully recovered from the pandemic. While the regional economy continues to recover, strong hotel performance locally is igniting expansion in certain key sectors. Example markets in this stage include Baltimore, MD; Miami, FL; and New Orleans, LA.

TOP 10 BRANDS

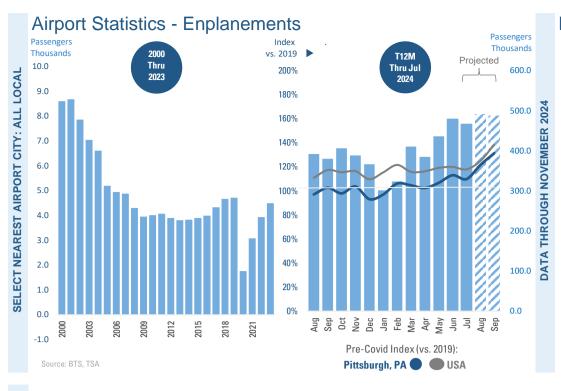

In the 'Regeneration' stage, hotels and the underlying economy are underperforming. The highest and best uses of hotel assets are still being challenged by lingering pandemic impacts, oversupply, weak economic indicators, and/or poor corporate contribution. Hotel investors look for opportunities to either exit or regenerate demand. Example markets in this stage include Cincinnati, OH; Detroit, MI; and Knoxville, TN.

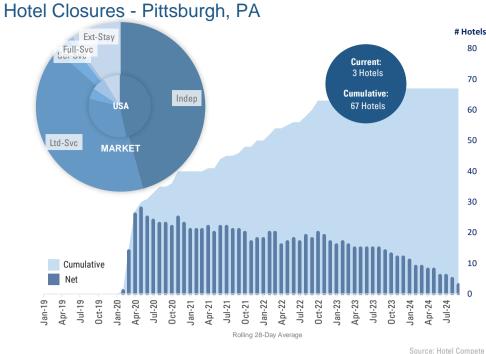

In the 'Absorption' stage, hotels are underperforming but in an economy with resilience and confidence the economy will shed any lingering pandemic impacts, presenting upside for CRE. Barriers to entry are high and the market hosts little or no new supply, allowing for the existing stock of rooms to be absorbed. Example markets in this stage include Minneapolis, MN;; and

In the 'Expansion' stage, hotels perform adequately, contributing to a resilient economy that has fully exited from the Expansion pandemic environment. Displacement demand is high, new hotel supply is feasible (despite barriers normally being high), and the overall economy is expanding. Example markets in this stage include Anaheim, CA; Atlanta, GA; and Austin, TX.

Hospitality, Gaming & Leisure

Our Hospitality, Gaming & Leisure practice is focused exclusively on providing superior valuation and consulting services for a broad range of hotels, casinos and leisure properties. Our team takes a holistic, consultative approach that goes far beyond the physical asset, analyzing every aspect of a property's business and real estate operations to identify all areas of value for owners and investors.

Our Hospitality, Gaming & Leisure platform has experience in valuation assignments and market analysis for properties including:

Hotels and Resorts

Gaming Facilities

Stadiums, Sports & Entertainment Facilities

Conference, Expo and Convention Centers

Golf Courses

Marinas

Ski and Village Resorts

Water Parks, Amusement Parks and Attractions

Our core disciplines and expert subject areas include:

Economic Impact

We empower owners and operators to maximize economic incentives and advise government entities on the impact of incentives on a community or development.

Litigation

Our experts bring a strategic perspective and hands-on approach, exceeding the depth and scope of typical litigation services every time.

Feasibility

We take feasibility studies to the next level, combining market knowledge with expert economic impact analysis and acumen in cash-on-cash, ROI and other metrics.

Portfolio Analytics

We bring industry averages and trends to bear on traditional analytics, ensuring comprehensive due diligence.

Financial Reporting

Our seamless approach to fulfilling clients' financial reporting requirements means no outside assistance is needed.

Property Tax

We understand every aspect of a property's operations, allowing us to craft advanced tax strategies.

ABOUT NEWMARK

We transform untapped potential into limitless opportunity.

At Newmark, we don't just adapt to what our partners need—we adapt to what the future demands. Our integrated platform delivers seamlessly connected services tailored to every type of client, from owners to occupiers, investors to founders, and growing startups to leading companies. We think outside of boxes, buildings and business lines, delivering a global perspective and a nimble approach. From reimagining spaces to engineering solutions, we have the vision to see what's next and the tenacity to get there first.
