

Hospitality, Gaming & Leisure

Our Hospitality, Gaming & Leisure practice is focused exclusively on providing superior valuation and consulting services for a broad range of hotels, casinos and leisure properties. Our team takes a holistic, consultative approach that goes far beyond the physical asset, analyzing every aspect of a property's business and real estate operations to identify all areas of value for owners and investors.

Our Hospitality, Gaming & Leisure platform has experience in valuation assignments and market analysis for properties including:

Hotels and Resorts

Gaming Facilities

Stadiums, Sports & Entertainment Facilities

Conference, Expo and Convention Centers

Golf Courses

Marinas

Ski and Village Resorts

Water Parks, Amusement Parks and Attractions

Our core disciplines and expert subject areas include:

Economic Impact

We empower owners and operators to maximize economic incentives and advise government entities on the impact of incentives on a community or development.

Feasibility

We take feasibility studies to the next level, combining market knowledge with expert economic impact analysis and acumen in cash-on-cash, ROI and other metrics.

Financial Reporting

Our seamless approach to fulfilling clients' financial reporting requirements means no outside assistance is needed.

Litigation

Our experts bring a strategic perspective and hands-on approach, exceeding the depth and scope of typical litigation services every time.

Portfolio Analytics

We bring industry averages and trends to bear on traditional analytics, ensuring comprehensive due diligence.

Property Tax

We understand every aspect of a property's operations, allowing us to craft advanced tax strategies.

ABOUT NEWMARK

We transform untapped potential into limitless opportunity.

At Newmark, we don't just adapt to what our partners need—we adapt to what the future demands. Our integrated platform delivers seamlessly connected services tailored to every type of client, from owners to occupiers, investors to founders, and growing startups to leading companies. We think outside of boxes, buildings and business lines, delivering a global perspective and a nimble approach. From reimagining spaces to engineering solutions, we have the vision to see what's next and the tenacity to get there first.
