

Industrial & Logistics

A rapidly evolving and highly specialized asset class with growing demand, shifting regulations, an interconnected global supply chain, and an ever-changing market requires a coordinated approach to valuation. That's why our Industrial & Logistics team leverages knowledge from across the Newmark platform.

Our team combines unmatched proprietary market data with innovative strategy and industry-leading insight to develop custom solutions for every type of industrial market participant—from traditional owner/users to some of the world's largest institutional investors, including private equity firms, industrial REITs and pension funds.

Our practice handles a diverse array of transactions ranging from single-property assignments to multibillion-dollar portfolios. In addition to providing appraisals, our Industrial & Logistics Specialty Practice also provides services such as expert witness testimony, market rent studies, highest and best analyses, asset management valuations and appraisal review services.

The Industrial & Logistics team has completed international assignments for industrial property types including:
