

# Multifamily

Whether garden-style or high-rise, student housing or lifestyle center, our Multifamily specialty practice combines on-the-ground knowledge and industry-leading expertise on a wide array of multifamily types.

Our team takes a comprehensive view that considers rental income in conjunction with real estate assets, offering a consultative approach.

Tapping into Newmark's integrated platform, our Multifamily specialty practice delivers valuation reports and analyses with integrity and vision. This empowers our clients to make educated decisions with more diverse and innovative options in an increasingly competitive market.

We also meet the requirements of government agencies and government-sponsored entities that provide financing for multifamily properties. Our team is now one of the largest providers of appraisals to top multifamily lenders, Fannie Mae, Freddie Mac, and private and public equities and funds.
