

## Florida/Caribbean

Newmark Valuation & Advisory (V&A) – Florida/Caribbean provides valuation and consulting services for a wide range of property types.

- Our team has top valuation specialists in hospitality, healthcare and seniors housing, marinas and working waterfronts, golf courses and data centers, allowing us to effectively service our local clients' unique requirements.
- Our Tampa office houses the Bank Credit Risk Solutions specialty practice leader along with the Co-Leader of the Convenience Stores & Automotive Energy, and Restaurants specialty practice.
- We have provided valuation services across much of the Caribbean including the Bahamas, the British Virgin Islands, Jamaica, Puerto Rico and the US Virgin Islands, among others. Strong relationships throughout the Caribbean allow us to successfully execute our business in foreign countries.
- Our senior advisors possess an average of 26 years of experience providing valuation and advisory services throughout Florida and the Caribbean, and include numerous valuers with MAI, MRICS and ASA designations.
