

Northeast

Newmark Valuation & Advisory (V&A) – Northeast provides valuation and consulting services for a vast range of property types throughout Massachusetts, Maine, New Hampshire, Rhode Island, Vermont, and Northern Connecticut.

- Based in Boston, Newmark V&A has an extensive track record of covering client requirements across all of New England.
- With an average of more than 27 years of experience and 6 MAI's on staff, our team of senior valuers are among the most experienced and tenured in the region.
- Leveraging Newmark's capital markets and brokerage teams, in addition to our extensive data and research capabilities, gives us deeper insight into local market information and property trends across the Northeast.
